Contact Type

Victim Age

Contact Ethnicity

Contact Type Definitions:

Victim/Survivor: IPV (Intimate Partner Violence) – a victim or survivor of abuse from his/her partner or spouse

Victim/Survivor: Non-IPV – a victim or survivor of abuse by anyone else: parent, sibling, caregiver, etc.

Helper – a caller reaching out to help another including: family/friend, service provider, law enforcement, medical/health, religious leader/program or teacher

Healthy Relationship Inquiry – anyone with questions about healthy relationships, where no abuse is present

Administrative – someone seeking basic information, rather than advocacy

Abusive Partner – a caller who identifies as abusive or who an Advocate believes to be an abusive partner

Other – any caller about whom an Advocate is able to gather info, but who does not fit into an above category; this includes off target callers, non-DV calls, hang-ups, prank calls and feedback
