*Due to rounding of our data calculations, these numbers may not equal 100%*

### CONTACT TYPE DEFINITIONS:

**Victim/Survivor Intimate Partner Violence (IPV):** A contact who has experienced abuse by an intimate partner and is looking for information, resources, emotional or other support regarding the abusive relationship.

**Victim/Survivor Non-IPV:** A contact who has experienced abuse from anyone other than an intimate partner (i.e. parent, sibling, caretaker), and is looking for information, resources, or support regarding the abuse.

**Healthy Relationship Inquiry:** A contact discussing intimate partner relationships who is not experiencing a pattern of abusive behaviors.

**Abusive Partner:** A contact who engages in a pattern of behavior to establish power and control over an intimate partner.

**Other:** A contact who is not currently experiencing violence and has needs outside the scope of healthy relationships or intimate partner violence services.

NOTE: This contact type excludes wrong numbers.  
Contacts may report one or more types of abuse.
